

Mobileye Announces Participation in Upcoming Third Quarter 2025 Investor Conferences

Aug 4, 2025

JERUSALEM--(BUSINESS WIRE)--Aug. 4, 2025-- Mobileye Global Inc. (Nasdaq: MBLY) ("Mobileye") announced today that it is scheduled to participate in the following upcoming investor events in the third quarter of 2025.

- Oppenheimer 28th Annual Technology, Internet & Communications Conference, August 12, 2025
- Truist Technology Symposium – AI Transformation & Evolving Enterprise Debates, September 4, 2025
- Deutsche Bank dbAccess IAA Cars Conference, September 8, 2025
- RBC Capital Markets 2025 Global Industrials Conference, September 16, 2025
- Evercore ISI's Autonomous, ADAS & AI Forum, September 30, 2025

Mobileye plans to webcast its "fireside chats" when possible, with exact time to be posted closer to the event. For more information on and to register for and access the webcasts, please visit the "Events & Presentations" section of Mobileye's investor relations (IR) site at <https://ir.mobileye.com/>.

Please note that event participation and specific dates are subject to change. Any additional events will be announced in due time. For the latest information, please visit the IR site.

About Mobileye Global Inc.

Mobileye (Nasdaq: MBLY) leads the mobility revolution with our autonomous driving and driver-assistance technologies, harnessing world-renowned expertise in artificial intelligence, computer vision, mapping and integrated software and hardware. Since our founding in 1999, Mobileye has enabled the wide adoption of advanced driver-assistance systems that bolster driving safety, while pioneering such groundbreaking technologies as REM™ crowdsourced mapping, True Redundancy™ sensing, and Responsibility Sensitive Safety™ (RSS). These technologies drive the ADAS and AV fields towards the future of mobility – enabling self-driving vehicles and mobility solutions at scale, and powering industry-leading advanced driver-assistance systems. Through 2024, more than 200 million vehicles worldwide have been built with Mobileye's EyeQ™ technology inside. Since 2022, Mobileye has been listed independently from Intel (Nasdaq: INTC), which retains majority ownership. For more information, visit <https://www.mobileye.com>.
